N.Y. Senator Moynihan bids for second term

New York

Sen. Daniel Patrick Moynihan (D) of New York announced he will seek re-election to a second term, focusing his campaign on "the economic crisis, crime, and the threat of a nuclear holocaust." He has yet to be opposed by anyone in the Republican Party. Mr. Moynihan is a former U.S. ambassador to the United Nations, a White House adviser to Richard Nixon and long-time Harvard professor. He is serving as vice-chairman of the Senate Select Committee on Intelligence.
